Who is this Camp For?

This camp is designed for skaters in a Learn to Skate Program Basic 3 and up, or students who are currently taking private lessons. Ages of Skater will range from 7 +

What will occur the Campers Do?

The skaters will show up in the morning, warm up quickly off the ice and then go on ice to skate; learn skating skills, and work toward creating a choreographed private mini showcase at the end of the session. Students and pros will work hard, and have fun while doing it! They will be grouped with skaters similar to their skating skills and age level, and will work with that group and with the camp as a whole.

What To Bring Daily

Skaters will need to bring a beach towel, or yoga mat, sneakers or ballet shoes, and socks. Snack and lunch will not be provided, so skaters can purchase one at our snack bar for \$6.00 per day (additional cost).
